Price: £332.50 (exc VAT) Save £38.33

(RRP £370.83) | £399.00 (inc VAT)

Specifications

Stiga Collector 48 S AE Kit

From smooth lawns to bumpy landscapes, mowing is made easier with the new self-propelled battery powered Collector 48 S AE Kit lawn mower.

This mower features a mono powerhead that has 1 x 48V 5Ah ePower battery and brushless motor that drives the machine.

Whilst there is space to hold another battery within the powerhead as a spare this would need to be purchased as an optional extra.

With a 48cm cutting and robust steel deck this mower can cut an area of 400sqm on one charge which is the size of 1.5 tennis courts.

The single height of cut lever makes it easy to adjust the cutting heights through 6 positions ranging from 22-65mm and the large 60-litre grass collector with bag full indicator.

When the mowing is complete, just fold the adjustable handle forward for easy storage and put your battery on charge ready for the next mow.

Enjoy the convenience of cordless powers with no electric power cable to drag behind you.

The Collector 48 S AE kit is a fantastic mower for small - medium sized gardens.

Battery & charger included

A 5-year manufacturer's warranty is included with this model (T&Cs apply)

Complete with 1 48v Battery and Dual Battery Charger
