Specifications

Stiga Swift 372E Collecting Lawn Rider Cordless.

The new easy to operate Swift 372E battery-powered lawn rider is suitable for smaller sized lawn areas up to 1500 metres.

If you are looking for an alternative to a Petrol mower, the Swift 372E gives you quiet and exhaust emission-free operation.

It is powered by 4 smart 48V 25Ah ePower Lithium-Ion batteries, these intelligently manage and synchronise power for greater operating efficiency.

Download the Stiga App on your smartphone and use that whilst mowing as alive dashboard.

They also fit the 500, 700 and 900 range of garden tools, covering all your gardening jobs under the same battery system.

These batteries have been tested to deliver high-performance capacity.

Twin 72cm cutting width give greater cutting efficiency, with 6 selectable cutting height positions across the 30-80mm range.

The 170-litre grass container can be emptied without leaving the driver's seat.

The high-impact moulded Polymer plastic Deck aids quieter operation and does not suffer from corrosion issues.

An included Washlink allows easy removal of grass clippings from inside the Deck area.

With a 3 year warranty*

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.
