Specifications

Stiga Tornado 398e side discharge and mulching Lawn Tractor - Battery powered

The Tornado 398e ride on Side Discharge Tractor will spread onto your lawn in tidy rows.

It's driven by a mighty 30Ah (Li-Ion) battery covering up to 3500sqm on just one charge.

And with a generous 98cm cutting width, you'll cover more of your lawn in less time.

There are seven cutting heights across a 25 -80mm range.

For medium lawns up to 4500m.

Battery powered petrol-free and stress-free ride on mower with Traction Motors

Side discharge function, mulching kit available as optional

Intuitive dashboard console with quick-press start button

Brake system integrated in the electric transmission, no brake pedal.

Just release the transmission pedal and the tractor will stop automatically.

5-year warranty (T&C's Apply)

48V 30Ah battery pack included – standard charger included, fast charger available as optional accessory

A range of optional related parts products for the 398E are shown at the bottom of the page
