### Specifications

#### **Stiga Estate 798 W Collecting Lawn Tractor Hydrostatic**

The Stiga Estate 798W is a premium twin-cylinder lawn tractor, designed for demanding gardeners.

It provides outstanding performance, reliability, and cutting versatility.

This powerful machine combines cutting-edge engineering with user-friendly features, making it ideal for maintaining large lawns and grounds up to 7,000m<sup>2</sup> in size.

At the heart of the Stiga Estate 798W lies a high-performance ST 600 Twin-cylinder engine, delivering superior power, fuel efficiency, and durability.

This ensures consistent performance even under challenging mowing conditions.

Equipped with a 98 cm cutting width, the twin-blade cutting deck allows you to cover large areas quickly.

It features 7 cutting height positions (ranging from 30mm to 90mm), enabling precise cutting to suit the season and terrain.

The hydrostatic drive system provides smooth, clutch-free operation, allowing you to effortlessly control the speed and direction with a pedal.

This is especially useful when manoeuvring around obstacles or tackling uneven terrain.

The Estate 798W offers flexibility with its 3-in-1 mowing system, allowing you to: collect grass clippings into the spacious 300-litre grass collector.

Alternatively, mulch the clippings to return nutrients to your lawn using the included mulching plug or discharge them to the rear for rougher areas or less formal lawns.

Designed with operator comfort in mind, this lawn tractor features a comfortable adjustable seat, ergonomic controls, and an easy-to-read dashboard display.

The LED headlights ensure safe operation in low-light conditions, while the compact design improves manoeuvrability.

The Estate 798W features a durable steel chassis and well-designed cutting deck guarantee longevity and reliability, even with frequent use.

The Stiga Estate 798W Twin-Cylinder Lawn Tractor is perfect for anyone seeking a high-quality, versatile, and reliable machine to maintain larger lawns.

Its powerful engine, hydrostatic drive, and cutting versatility make it an excellent investment for efficient and enjoyable mowing.

A trailer hitch is also supplied, allowing you to use many other labour saving accessories, including tow-behind trailers, spreaders, dethatchers and sweepers.

Also includes battery charger.

5 year warranty (Terms & Conditions apply).

**This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.**
