(RRP £1799.17) | £1999.00 (inc VAT)

Specifications

Mountfield 1330M Collecting Lawn Tractor Manual.

The Mountfield 1330M is the smallest mid-range collector ride-on mower and is small enough to fit through a standard garden gate.

Suited for lawns up to 1-acre / 3500m size, it is equipped with features often found on larger machines in the Mountfield range.

It has features like the quick emptying rear grass collector for example.

The 1330M is equipped with a pair of 84cm blades inside a twin-blade cutting deck and the generous 200 litre rear-mounted collector can be emptied from the driving seat.

Powered by a new, fuel-efficient electric key start Stiga ST 400 414cc 4 stroke air cooled Petrol engine, fed by a 6 litre fuel tank.

The manual transmission has 5 forward and 1 reverse speeds. A hand-set engine throttle enables you to precisely manage the speed, to suit the job at hand.

Seven selectable pre-set cutting heights across a 25-80mm range, enable you to get a superb finish

on your lawn.

An included Mulching plug can be fitted that returns the grass clippings back into the lawn to help provide lawn nourishment.

The included Tow Hitch and range of suitable trailers are part of a range of optional accessories listed below.

A battery charger is not included but is available separately.

The 1330M also features a pair of LED lit headlamps allowing you to operate it on your property in poor light conditions.

A 5 year warranty is supplied, subject to terms and conditions*

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.
