(RRP £2499.17) | £2799.00 (inc VAT)

Specifications

Mountfield 1538H - Collecting Lawn Tractor Hydrostatic

Power, reliability, a 98cm cutting width, hydrostatic transmission, and an option to collect or mulch the clippings - the Mountfield 1538H is a superb garden tractor.

Featuring a 452cc Powered by STIGA ST 500 engine and pedal-operated hydrostatic transmission, this is a slick and efficient garden tractor.

Visibility is clear from the driver's seat and the high-performance twin-bladed cutter deck with 7 cutting heights ranging from 25-80mm, always produces a neat finish to your lawn.

Grass cuttings can either be collected in the 240-litre grass collector at the rear of the tractor.

The 1538H has a lwan working area up to 5000m.

Or using the included mulching plug, the finely cut clippings from mowing can be redistributed back onto the lawn surface adding valuable nutrients back to the soil.

Cleaning after use couldn't be easier just connect your hose to the deck nozzle, turn on the water and engage the blades and you will quickly have a clean deck and blades ready for next time.

A battery charger, mulching plug and tow hitch are included with your 1538H.

The Mountfield MTF 153H is a fantastic garden tractor and comes with a 5-year warranty*.

This Garden Machinery product can be collected in-store or is only available for local delivery to the following local Postcodes HR, WR, SY & LD.
