

320103000 Soda Blasting Media 5L container

Part No: 3201030000

Price: £22.58 (exc VAT) | £27.10 (inc VAT)

Specifications

320103000 Soda Blasting Media 5L container

****Soda Media requires the use of a Sealey PSB05 or similar Soda blasting gun - see related products****

Efficient light abrasive cleaner used as an alternative to sandblasting.

Safe to use on metals and paintwork, fibreglass, chrome, stainless steel for example.

Non-destructive cleaning - removes top coatings without damaging the base material.

No warping of steel - unlike with sand, which can etch glass, and mark chrome and erode rubber seals and damage window strips.

Removes oil and grease on surfaces to be cleaned.

Media is a use once only product unlike some other blast media - sand for example which can be sieve-filtered and reused.

Non-toxic, dust and debris can be disposed of at local amenity sites.
