

32017X Tapered Roller Bearing

Part No: 32017X

Price: £61.79 (exc VAT) | £74.15 (inc VAT)

Specifications

32017X Tapered Roller Bearing

Brand FAG

Application range:

In a closed environment with grease and oil

Wheel Shafts, Gearbox, Axial Piston Pumps, Planetary Gear, Rear wheel Rockers

Absorbs high radial and one-sided loads.

d Inside diameter 85mm

D Outside diameter 130mm

T Width 29mm

Rows number 1

Sealing Open

Bearing model type Tapered Roller Bearings

Basic radial load static 224000 N

Basic radial load dynamic 175000 N

Max rotation speed 6300 r/min

Ref rotation speed 2800 r/min

C Outer ring width 22mm

B Inner ring width 29mm

Max working temperature 120°C

Min working temperature -30°C

Original number equivalent 32017-X-XL

Manufacturer Schaeffler

OEM: 7700014126
