Specifications

3290CXB Trolley Jack 3T

Please note that this is a service exchange item - some items may not have the original packing and may be shop soiled and / or have some cosmetic damage including dents or scratches.

Features:

- Professional 3tonne jack with integral American cog-type release mechanism.
- Most compact and lightweight Pro Trolley Jack on the UK market.
- Ideal for Roadside or Workshop use.
- Weighs only 28kg!
- Single-piece hydraulic unit.

- Long 2-piece handle to reduce operator effort.
- Heavy-duty castors and large saddle design ease positioning under vehicle.
- Fitted with safety overload valve and pump-through valve to prevent handle locking at maximum ram extension.
