Part No: 41120530

Price: £75.08 (exc VAT) | £90.10 (inc VAT)

Specifications

41120530 Cup Foam Lance Basic 1

For high-pressure cleaners with a flow rate of 350–600 l/h

New, robust and very high-quality foam cup lance with outstanding foam quality while consuming half as much cleaning agent.

When used in conjunction with our RM 838 VehiclePro foam cleaner, the newly developed Basic 1 cup foam lance will lower your cleaning agent consumption by around 50% in future.

It is designed for high-pressure cleaners without Servo Control function and with a flow rate of 350 to 600 litres per hour.

It impresses with excellent foam quality, simple handling and high-quality materials such as the brass base body, which also ensures a long service life.

Precise dosage can be regulated in three stages using an integrated plate, which also effectively

prevents unintended adjustment.

The sturdy and ergonomic cleaning agent container, which is also very stable because of its shape.

It has a large filling opening, a multi-start thread so it can be replaced quickly and an additional gripping option on the neck.
