

## 441564 Premium Rope 6.5mm - 200 M electric fencing

**Part No:** 441564

**Price:** £61.09 (exc VAT) | £73.31 (inc VAT)

### Specifications

441564 Premium Rope 6.5mm - 200 M electric fencing

Specifications	<ul style="list-style-type: none"> <li>- With thick tinned copper wires</li> <li>- With robust stainless steel</li> </ul>
Benefits	<ul style="list-style-type: none"> <li>With bundling of 3 conductors</li> <li>- 40 times higher conductivity than conventional conductive materials</li> </ul>
Application	<ul style="list-style-type: none"> <li>- Long service life</li> <li>- Uniformly high voltage on the fence</li> </ul>
Properties	<ul style="list-style-type: none"> <li>- For long electric fences</li> </ul>
Technical information	<ul style="list-style-type: none"> <li>- Good conductivity</li> <li>- 5-year guarantee of UV resistance</li> </ul>
Unit	Roll
Colour	white / Green
Diameter (mm)	6,5

Length (m)	200
Min Break Load (kg)	400
Resistor (Ohm/m)	0.15
Number of wires	9
No. of tin coated copper wires (mm)	3 x 0,25
Ø ss wires (mm)	6 x 0,20
