

441564 Premium Rope 6.5mm - 200 M electric fencing

Part No: 441564

Price: £63.23 (exc VAT) | £75.88 (inc VAT)

Specifications

441564 Premium Rope 6.5mm - 200 M electric fencing

Specifications	- With thick tinned copper wires - With robust stainless steel With bundling of 3 conductors
Benefits	- 40 times higher conductivity than conventional conductive materials - Long service life - Uniformly high voltage on the fence
Application	- For long electric fences
Properties	- Good conductivity
Technical information	- 5-year guarantee of UV resistance
Unit	Roll
Colour	white / Green
Diameter (mm)	6,5

Length (m)	200
Min Break Load (kg)	400
Resistor (Ohm/m)	0.15
Number of wires	9
No. of tin coated copper wires (mm)	3 x 0,25
Ø ss wires (mm)	6 x 0,20
