Specifications

44391 WD40 White Lithium Spray Grease 400ml

A High Performance White Lithium Grease spray provides great protection for heavy-duty, metal-to-metal applications.

It can be used outdoors regardless of weather and temperature.

Our thick water-resistant formula won't drip or run, and stays where it's applied through all kinds of weather.

It's ideal for use on automotive connections such as towbars, gear and brake mechanisms, and CV joints.

It's also great for using on gardening tools, and will keep them in great working order season after season.

Use our white lithium grease spray to keep things moving smoothly and free of friction and seizing.

You can also use it as a preventative, to protect against rust and corrosion.

Ideal for:

Lubricating motor pivot points

Smooth runnings of bearings, winches and conveyors

Lubricating pistons, tracks and runners

Maintaining cables and chains

Lubricating water pumps

Lubricating gears and brakes

Maintaining latches and hinges

Protecting gardening tools from rust and wear
