

## 44395 WD40 Dry Lubricant Spray 400ml

**Part No:** 44395

**Price:** £7.95 (exc VAT) | £9.54 (inc VAT)

### Specifications

44395 WD40 Dry Lubricant Spray 400ml

This WD-40 Specialist Dry Lubricant is a great lubricating spray for a number of scenarios and environments.

Its anti-friction formula makes it perfect for high use or repetitive mechanisms that require protection from daily wear and tear.

Ideal for use on door and window tracks, chains and rollers, power tools, drill bits and lock mechanisms.

It's quick-drying, and sets as a clear film that won't attract damaging elements like dust, dirt and oil.

It also comes with anti-corrosion and extreme pressure additives.

Our Dry Lubricant works through a range of temperatures, from -45°C to +90°C, and is safe to use on metals, glass and plastics.
