Specifications

WD40 44620/12 400ml White Lithium Grease

3-IN-ONE White Lithium Spray Grease is for heavy-duty applications. It is ideal for preventing rust and corrosion for automobile, marine and workshop use.

It is also safe around the house on sliding doors, windows, hinges and garden machinery.

WHITE LITHIUM GREASE is ideal for metal-to-metal applications that require heavy-duty lubrication and protection against rust and corrosion.

This white lithium grease sprays on evenly as a liquid and sets dry for a thick, protective coating that won't run off.

Effective in a temperature range from 0° F to 300° F,

WD-40 Specialist White Lithium Grease provides unbeatable protection with long-lasting lubrication on auto hinges, gears, sprockets, outdoor hinges, latches, overhead door tracks, pulleys, cables and guide rails.

It's also excellent for lubricating equipment before placing in storage

Size: 400ml.
