

Battery charger XS800 CTEK

Part No: 56833CTEK

Price: £63.38 (exc VAT) | £76.06 (inc VAT)

Specifications

Specifications	<ul style="list-style-type: none"> - CTEK chargers were the first to employ 'smart' technology which uses 'switched mode' electronics (found in computer technology) making them more flexible and accurate than 'linear' transformers; this enables them to have dedicated cycles for different battery technologies and problems; and also allows them to be small yet powerful.
Benefits	<ul style="list-style-type: none"> - CTEK chargers provide fully automatic charging, maintenance and battery care - Safer for people and vehicles, CTEK chargers are foolproof to connect, spark proof, reverse polarity protected and regulate mains voltage to protect sensitive electronic and audio equipment meaning there is no need to disconnect the batteries - 5 year warranty
Application	<ul style="list-style-type: none"> - Ideal for charging 12V batteries from 1.2 Ah to 32 Ah and maintaining the batteries of cars, motorcycles and other vehicles up to 100 Ah
Unit	Each
Weight (kg)	0.3
Voltage	170-260 V AC; 50-60 Hz
Protection class	- IP 65 (splash and dust proof)
Dimensions	142 x 51 x 36 mm
Battery Capacity	1.2 - 32 Ah
Back current drain	< 4%
Charge Voltage (V)	12V
Charge Current (A)	0.8A
