Specifications

600TRC - 600kg Transmission Jack Vertical

Please note that this is a service exchange item - some items may not have the original packing and may be shop soiled and / or have some cosmetic damage including dents or scratches.

Features:

- Manufactured to exacting standards, strong construction for durability and suitable for general workshop applications.
- Spring loaded dead man's safety release control reduces the risk of inadvertent lowering.
- 2-Way hydraulic unit ensures that the saddle lowers at a controlled speed at all times, even without load.

- Extra-large castors allow for increased manoeuvrability.
- Hydraulic unit larger than the economy models for improved performance and durability.
- Can be fitted with Model No. ADT3 - Adjustable Gearbox Support.
