Specifications

601008KR Grass Green Machinery Paint Atco Lawnmower equivalent RAL 6010 400ml also suitable for some Riecam Combine Harvester Green paint applications,

An equivalent Green paint shade suitable for Atco lawnmowers. On older Atco lawn mowers, the paint supplier during production varied and as such there are often variances in colour shade where original, unaged by light paint is found between models.

RAL 6010 Grass Green is accepted to be a close match to the original colour(s) and Atco restorers find this a conveniently available 'off the shelf' colour to use in their restoration work.
