Specifications

742308KR New Holland Chassis Grey Tractor Paint 1 Litre

Only use Kramp brand UN1263 thinners, primers and hardeners in conjunction with Kramp brand UN1263 paints.

The Kramp synthetic resin paint is a 1K chromate-free and lead-free paint with a high UV and weather resistance.

It is easy to process, has a high final curing and a stable gloss.

This paint also has a short drying time, high temperature resistance and is resistant to petrol and diesel contact in short intervals.

It is highly suitable for industrial applications and for tractors, agricultural and earth-moving machines.

Features:

Long durability

Efficient

Less harmful to the environment
