

ABWBB115m14T Twisted Wire Bevel Brush

Part No: ABWBB115M14T

Price: £13.52 (exc VAT) | £16.22 (inc VAT)

Specifications

ABWBB115m14T Twisted Wire Bevel Brush

The bevelled (or conical) shape of the brushes makes them ideal for irregular surfaces with edges or cracks. It is used with an angle grinder, attaching to the drive thread.

This Twisted Knot brush is a very aggressive brush ideal for removing slag and rust, whereas the Crimped wire wire version is suitable for less aggressive applications.
