Specifications

AP2403C Top Chest 6 Drawer

****Shop Collection or only available for delivery to the following local Postcodes HR, WR, SY & LD.****

Please note that this is a service exchange item - some items may not have the original packing and may be shop soiled and / or have some cosmetic damage including dents or scratches.

Product features:

- Heavy gauge steel with double wall construction for extra strength and durability.
- Ball bearing drawer slides provide superior performance and carry heavier loads.
- Each drawer fitted with catch to prevent unexpected opening, when being transported around the workshop.
- Added security provided by side mounted cylinder locks, supplied with two keys.

- Recessed handles permit units to be slotted into work environments where space is tight.
- Unique design incorporates perforated side panels for hanging tools and accessories.
- Ideally suited for the Premier range of Modular Tool Trays.
- Rust and solvent resistant powder coated finish.
- Fitted with anti-shock protection on all four corners to prevent accidental damage.
- Tough composite top.
- Comprehensive range of accessories available.
