

ASPENTRANSOIL5W501L Park Transmission Oil 5W/50 1 Litre

Part No: ASPENTRANSOIL5W501L

Price: £16.63 (exc VAT) | £19.96 (inc VAT)

Specifications

ASPENTRANSOIL5W501L Park Transmission Oil 5W/50 1 Litre

SAE 5W-50, fully synthetic

A fully synthetic hydrostatic oil of very high quality that can withstand high heat in very hard operation.

Contains unique additives that provide oxidation stability and unsurpassed protection against foaming, corrosion and wear.

Recommended as a transmission oil for ride-on lawnmowers with hydrostatic transmissions.

Very good temperature properties

Unique additives that provide oxidation stability

Unmatched protection against foaming, corrosion and wear

Spec: SAE 5W-50, API CF-49 / SG / SH / SJ10
