## **Specifications**

BC02500KR Brake Cleaner 500ml

Kramp 500ml Brake Cleaner is a high-performance, fast-drying solution designed for cleaning brake and clutch components.

It quickly removes excess brake fluid, oil and dirt, helping to prevent brake squeal and clutch slippage.

The non-corrosive formula leaves no residue and is safe for use on metal surfaces.

Aerosol can be used in any angle (360°)
