

Exol Cyclone HT46 5 Litre Screw Compressor Oil

Part No: C002S734

Price: £36.95 (exc VAT) | £44.34 (inc VAT)

Specifications

Exol Cyclone HT46 5 Litre Screw Compressor Oil

A Mineral Oil based compressor fluid possessing excellent thermal and oxidative stability.

It is manufactured using carefully selected mineral oils and inhibitors are added to control oxidation, a problem encountered in the high temperature areas of the discharge zones

It includes anti-wear additives protect all the mechanical parts in the compressor.

It is designed for a minimum 2000 hour service life assuming excessive temperatures are not encountered.

Specification:

DIN 51506 VD-L
