

## DCD1002P2T Dewalt Brushless Combi 18v Drill with 2 x 5Ah Batteries

**Part No:** DCD1002P2T

**Price:** £165.83 (exc VAT) | £199.00 (inc VAT)

### Specifications

DCD1002P2T Dewalt Brushless Combi 18v Drill with 2 x 5Ah Batteries

DEWALT 18v 5Ah Cordless Drill in grey

Powerful compact Drill @ 68Nm

Reduced length for improved access to confined spaces

Reduced weight / improved ergonomics

LED Work Light built in to light the immediate working area

DCD1002P2T includes: 2 x DCB184 5Ah, DCB1104 charger in TSTAK compatible case

Features:

Reduced Length/More Compact, Enhanced ergonomics

All Metal Transmission - Supports the increased power levels - Increased power and performance

LED built in - Illuminates working areas and dark & confined spaces - Improved visibility

18V XR Brushless - Maximises product performance

Brushless Motor BL51R - More Power, Efficiency and Durability - Increased power and faster application speed

Ergonomic Grip Design - XR style Comfortable Grip allowing for longer duration of use - Maximises user comfort

## Specifications

Motor Type: Brushless

No of Speeds: 2

No Load Speed (RPM): 0-450/0-1,650

Hammer Mode (BPM): 0-34000

Power (UWO): 420 UWO

Low Speed: 68Nm

## Features

Chuck & Gearcase: Plastic

## Ergonomics

Length: 164mm

## Battery features and Specifications:

The DeWalt 18V 5Ah Battery features the innovative XR technology system to deliver longer run times and optimal power.

One of the major benefits of this battery is the absence of a memory effect.

This means it does not need to be flat before recharging, with a minimal amount of self-discharge so it retains maximum power even after storage.

## Features and Benefits:

- DEWALT XR 5.0Ah Li-Ion Battery Technology offers extended runtime and optimised power to complete applications quickly
- Lightweight design provides the user with upgraded runtime without increasing the size or weight

- No memory effect and virtually no self-discharge for maximum productivity & less downtime
- Protection against overheat, overload and deep discharge conditions increases battery life
- LED State of Charge Indicator helps manage pack charging
- Excellent electrical characteristics

Technical Specifications:

- Voltage: 18 V
- Battery Capacity: 5 Ah
- 70 minute charge time
