Features:

- Large - with a 20l capacity, it can hold a significant amount of liquid, making it ideal for oil changes and other automotive maintenance tasks.
- Durable construction - made from high-quality metal, it is designed to withstand heavy use and resist corrosion, ensuring long-lasting performance.
- Versatile - suitable for collecting and containing various liquids, it can also be used as a drip tray under vehicles or for cleaning and storing vehicle components.

- Integrated handles - for easy carrying and transportation.
- Compact design - despite its large capacity, it has a compact size (489 x 371 x 153mm), making it easy to store and transport when not in use.
