

DV36DAXJRZ Hikoki Cordless combi drill 18 volt 36 Volt Multivolt

Part No: DV36DAXJRZ

Price: £669.67 (exc VAT) | £803.60 (inc VAT)

Specifications

DV36DAXJRZ Hikoki Cordless combi drill 36V Multivolt - uses Hikoki 18 volt - 30 volt multivolt batteries

Features -

High performance 36V combi drill with high efficiency brushless motor

High overload capacity

Huge maximum hard torque of 138Nm

Reactive Force Control (RFC) safety feature

Compact body - only 204mm long

Brushless motor

High performance Röhm chuck with spindle lock

22 stage torque setting

Robust aluminium gear case

4 stage battery level indicator

Built-in LED work light

Multi Volt

36V Multi Volt batteries for higher power output similar to mains powered tools.

Batteries are compatible with existing HiKOKI 18v tools.

Offers unprecedented power output of up to 1080W.

Power output similar to mains powered tools when used with a 36V tool*.

Automatically switches between 18V 5.0Ah and 36V 2.5Ah depending on the tool in use.

Fast charging - only 32 minutes with UC18YSL3 charger.

4 stage battery level indicator with diagnostic function.

Compatible with existing 18V chargers and the new UC36YSL.

Compact and lightweight - similar size and weight as existing 18V 5Ah & 6Ah batteries.

Accessories -

2x 2.5Ah Multi Volt batteries + UC18YSL charger

Drilling capacity in steel 16 mm

Torque 138 daNm

Impact rate per minute - none loaded 0 - 500/min / 0 - 2100/min

Drilling capacity in wood 16 mm

Optional Extras

371750 Hikoki Battery Multivolt
BSL36A18 18 Volt - 36 Volt
5Ah/2.5Ah
