Part No: E/START800

Price: £151.95 (exc VAT) | £182.34 (inc VAT)

Specifications

E/Start 800 12V Sealey Electrostart 800A

This ElectroStart® Batteryless Power Start from **Sealey** can be used to restart vehicles even if the battery is faulty

- Innovative technology with no internal battery so no need to wait hours for the unit to charge before use.
- Simple and safe to use with no long term battery storage issues
- Can be fully energised in approximately 2 minutes
- If the vehicle battery is faulty or is holding less than 5 volts the ElectroStart 800 can be pre-charged via another vehicle's battery, the supplied Micro USB charging cable or the 12V accessory lead
- Compact and lightweight for easy handling and storage, yet still delivers the same result as heavy, bulky, lead acid battery equivalents

- Ideal for the professional mechanics and DIY users
- Output: 800A (Peak), 400A (EN)

Supplied in storage bag
