

FGP015910 Sawing Horse

Part No: FGP015910

Price: £100.97 (exc VAT) | £121.16 (inc VAT)

Specifications

FGP015910 Sawing Horse

This saw horse comes complete with a bracket to hold your chainsaw in place. Take the effort and strain out of chopping logs.

This simple and robust saw horse will change the way you chop logs forever.

The whole weight of the chainsaw is supported by the saw horse not your back!

This makes it fast, safe and effortless to operate unlike the conventional method which requires constant bending lifting and straining, starting and stopping.

Chopping logs has always been a laborious chore - Two hands are never enough - Three hands would be invaluable: one to hold the log and two to hold the chainsaw. Fits chainsaws with a minimum bar length of 14"

Fully adjustable for large & small logs Fully guarded chain bar
