

Exol Athena Progear HD 80W-90 Gear Oil 205 Litre G014B01

Part No: G014B01

Price: £539.95 (exc VAT) | £647.94 (inc VAT)

Specifications

Exol Athena Progear HD 80W-90 Gear Oil 205 Litre G014B01

Athena LS 80W-90 is a specially formulated extreme pressure gear oil for use in limited slip differentials.

Athena HD multigrades are universal extreme pressure gear oils meeting the API performance levels GL-5 and GL-4.

The introduction of the limited slip differential introduced further requirements for lubricants.

The use of multipurpose gear oils did not prevent the chatter and slip stick operation of the clutches.

Athena LS 80W-90 gear oil is manufactured from high quality base oils, performance EP additives and specially selected friction modifiers to provide a lubricant with the exacting requirements for limited slip operations.

Multigrade and monograde high extreme pressure gearbox and final drive lubricants for use in highly loaded, heavy duty applications.

Specifications:

SAE 80W-90

API GL-5 Military

Mil-L-2105D

Benefits

Reduces whining and chattering

Excellent high temperature stability

Ensures clutches slide smoothly

Extreme pressure properties

PLEASE NOTE OIL DELIVERIES ARE U.K. MAINLAND ONLY

205L DRUMS, UNLESS PALLET QUANTITIES (4 DRUMS), ARE ONLY AVAILABLE TO THE FOLLOWING POSTCODES HR, WR, SY & LD.
