Specifications

Exol Athena Progear LS 90 Gear Oil 205 Litre G018B01

Athena LS 90 is a specially formulated extreme pressure gear oil for use in limited slip differentials.

The introduction of the limited slip differential introduced further requirements for lubricants.

The use of multipurpose gear oils did not prevent the chatter and slip stick operation of the clutches.

Athena LS 90 gear oil is manufactured from high quality base oils, performance EP additives and specially selected friction modifiers to provide a lubricant with the exacting requirements for limited slip operations.

Specially formulated lubricant for use in LIMITED SLIP DIFFERENTIALS fitted to high performance cars and four wheel drive vehicles.

Specifications: SAE 90 API GL-5 Military Mil-L-2105D

Benefits:

Reduces whining and chattering

Excellent high temperature stability

Ensures clutches slide smoothly

Extreme pressure properties
