

Exol Ultramax 22 Hydraulic Oil 25 Litre H005D00

Part No: H005D00

Price: £69.95 (exc VAT) | £83.94 (inc VAT)

Specifications

Exol Ultramax 22 Hydraulic Oil 25 Litre H005D00

The Ultramax range of hydraulic fluids is manufactured from highly refined base stocks which possess good oxidation resistance and thermal stability.

They are fortified with carefully selected additives to further improve performance characteristics including anti-corrosion to protect the system should water be present, anti-wear to reduce wear in pumps used in hydraulic systems, anti-oxidants and antifoam.

Benefits:

Incorporates inhibitors for protection against all forms of corrosion

Good anti-foaming and air release properties

Good demulsification characteristics

Excellent anti-wear performance

High oxidation resistance and thermal stability

Suitable for the majority of hose materials

Applications: The Ultramax range of hydraulic oils is suitable for a wide variety of applications.

These include industrial hydraulic systems, agricultural and plant equipment, mobile units such as jacks, lightly loaded gears and many others.
