Ultramax BD 68 Hydraulic Oil 205 Litres H197B01

Environmental concerns have led to a growth in ecologically sensitive, biodegradable lubricants.

Ultramax BD 68 reflects this and is particularly suitable for use where accidental spillages would otherwise have a serious environmental impact.

It is free from zinc and other heavy metal additives and is the product of several years extensive field testing on the railway network.

Ultramax BD 68 has a low pour point to ensure adequate flow on even the coldest winter mornings.

PLEASE NOTE OIL DELIVERIES ARE U.K. MAINLAND ONLY
