Specifications

HY02-00943 SIP 01157 Pad Coil Holder Extender

The SIP Pad Coil Holder Extender is an additional item available for the SIP 3700w Induction Heater (01157).

Features

Designed to attach to the induction heater torch handle for greater flexibility, this useful tool offers additional functionality when working with hard-to-reach applications.

Easy-to-control and highly efficient, induction heating is ideal for a variety of heat treatment tasks in automotive, engineering and manufacturing applications.

Using an all-electric process, it offers greater levels of safety compared to oxyacetylene and other naked flame methods.
