

JEFSPRO3 Cutting Fluid 500ML

Part No: JEFSPRO3

Price: £13.95 (exc VAT) | £16.74 (inc VAT)

Specifications

JEFSPRO3 Cutting Fluid 500ML

Jefferson Premium Cutting Fluid is a specially formulated Cutting/Tapping/ Reaming/Drilling lubricant fluid.

It will not breakdown under extreme pressure.

It will allow the removal of swarf and cut chips of metal by the cutting tool with less friction.

Features:

- Usage: Reduces friction when removing metal chips
- Can be used during any cutting, drilling or sawing operation
- Superior cut finish, longer tool life and shorter cutting times will be achieved

Usage: Cutting, Drilling and Sawing operations

Size: 500ml
