Specifications

KGO100107 Work Gloves Black Polyester/Polurethane Size 7 - S 3 Pairs

These ultra-fine work gloves from Kramp Protect are suitable for general work use.

The seamless polyester material (13 gauge) gives the glove exceptional softness and the feeling of having a second layer of skin.

The PU coating offers exceptional comfort, finger sensitivity and flexibility, making these gloves ideal for detailed work in dry conditions.

The seamless elasticated knitted cuff ensures exceptional ease of movement and maximum protection of the hand and wrist. Silicone-free.

Protection: From abrasion and dirt

Materials: Nylon (13 gauge) and Polyester
