Specifications

Exol Optifarm Milking Machine Oil L046D00 25 Litre

ISO VG 100

Milking Machine Oil is a high quality mineral oil which has been selected especially for its thermal stability, low vapour pressure and good thermal conductivity.

These characteristics ensure excellent service life.

Milking Machine Oil is recommended for use in all dairy type milking machines in either pressurised or oil bath applications.

The oil's comparatively low viscosity ensures good circulation even in cold temperatures.

Benefits:

Light coloured

Excellent chemical and thermal stability

Good lubricity

Good corrosion protection
