

LED108C 108 LED Cordless Lithium-ion Rechargeable Portable Light

Part No: LED108C

Price: £49.95 (exc VAT) | £59.94 (inc VAT)

Specifications

LED108C 108 LED Cordless Lithium-ion Rechargeable Portable Light

Features 108 super bright LEDs, which have a longer working life than traditional halogen tubes.

Weatherproof design with on/off rocker switch.

Built-in Li-ion 7.4V 2Ah rechargeable battery.

Adjustable head housed within stable steel frame.

Supplied with mains cable and 12V in-car charger.

Suitable for lighting workshops, garages and other environments where no mains supply is available.
