Specifications

LED360HTG 2W Rechargeable Head Torch Auto Sensor Green

Features:

New design 360° multifunction COB LED rechargeable head torch.

Headband can also be used as a wristband.

When the band is removed, the worklight can be attached to objects via the integral clip.

Can also be used as a standalone table light.

One button includes five different lighting options.

First press is 100% white light, second dims to 40% white light, third is red warning light (1W COB LED) and fourth is red warning flash, which makes it ideal for cycling.

Holding the button enables auto-sensor function to switch on/off just by waving hand in front.

Adjustable head/wrist band and foam brow for added comfort.

Powered by 3.7V 0.5Ah Lithium-Polymer battery.

Supplied with micro USB charging cable.
