Part No: M119S702

Price: £21.24 (exc VAT) | £25.49 (inc VAT)

Specifications

Exol Optima SS 10W-40 Engine Oil Semi Synthetic 5 Litre M119S702

A semi synthetic multigrade engine oil meeting ACEA and API specifications required by a large number of cars and light commercial vehicles.

Engine design has changed rapidly over recent years.

Increased output from smaller units coupled with reduced engine oil sump capacity has put greater demands on the lubricant. Optima Vimax 10W-40 is designed to meet these challenges and is manufactured from a balanced blend of top quality mineral and synthetic base stocks to produce a high quality engine oil with outstanding properties.

Its naturally higher lubricity offers lower internal friction which reduces engine wear and improves fuel economy.

It provides excellent stay in grade performance for a wide range of modern engines.

PLEASE NOTE OIL DELIVERIES ARE U.K. MAINLAND ONLY

205L DRUMS, UNLESS PALLET QUANTITIES (4 DRUMS), ARE ONLY AVAILABLE TO THE FOLLOWING POSTCODES HR, WR, SY & LD.
