Exol Optima Vimax LL 5w/30 Engine Oil 1 Litre M380S544

Part No: M380S544

Price: £6.95 (exc VAT) | £8.34 (inc VAT)

Specifications

Exol Optima Vimax LL 5W/30 Engine Oil 1 Litre M380S544

Optima Vimax LL 5W-30 is a fully synthetic multigrade engine oil based on high quality synthetic base stocks and formulated with the very latest in advanced additive technology.

Optima Vimax LL 5W-30 has been developed to provide outstanding performance in the most up to date power units, which by their advancement in design have necessitated the employment of lighter viscosity multigrade engine oils while at the same time demanding more from the lubricant in terms of general protection, film strength and oxidation stability.

Optima Vimax LL 5W-30 responds to the demands of modern day motoring conditions by affording the highest level of performance and engine protection in the most severe conditions at both high and low ambient temperatures.

Benefits;

Excellent high and low temperature performance

Exceptional long term anti-wear characteristics

Very high standard of engine cleanliness

Long lasting dispersant performance and corrosion protection

Excellent sludge control for stop-go city motoring

High temperature protection against ring sticking

Reduced oil consumption and lower emissions

Applications:

Optima Vimax LL 5W-30 can be used in many types of passenger cars (petrol or diesel) including high performance turbocharged vehicles.

It should not be used in vehicles fitted with diesel particulate filters.

Specifications:

API SM/CF ACEA A3/B4
