Specifications

Echo PB-2620 25.4cc, Handheld Blower

This Garden Machinery product is only available for delivery to the following local Postcodes HR, WR, SY & LD.

The PB-2620 is ECHO's most powerful two-stroke handheld power blower in its class.

Part of the X-Series range, it is a best-in-class product packed with a range of features designed to increase the productivity of the professional user.

The PB-2620 has a 25.4cc professional grade engine for improved power-to-weight ratio and is ideal for leaf and debris cleaning.

Rotational control design reduces the gyro effect on the wrist for user comfort and reduced fatigue.

The addition of a secondary handle improves manoeuvrability and comfort.

Grouped controls, including a throttle with "Cruise Control", are easy to reach and allows the operator to lock the throttle at a variety of settings for increased control.

EZ-lock keeps the blower pipe secured to the machine. The Posi-loc™ pipe system ensures a secure connection between sections of the pipe.

Specifications:

Engine displacement (cm³) 25.4

Output (kw) 0.9

Output (ps) 1.2

Dry Weight (kg) (undefined) 4.4

Fuel Tank Capacity (ml) 600

Fuel Consumption At Maximum Engine Power (L/h) 0.55

Vibration Levels (m/s²) (Nozzle TypeA/Nozzle TypeB/Nozzle TypeA:Rear Handle) A: 6.6 / B:7.1

CO² (g/kW·h) 1008

***Warranty Terms & Conditions.**

To maintain the 5 year warranty the mower must be serviced before the end of the first year of ownership and annually thereafter by an authorised Mountfield dealer.

Failure to keep the Mower serviced at these intervals will result in the warranty reverting to a standard warranty period.

(5 year warranty for domestic users only)
