Part No: PSB05

Price: £69.95 (exc VAT) | £83.94 (inc VAT)

Specifications

Sealey PSB05 Soda Media blast gun

Ideal for use with Soda media products,

- Suitable for controlled removal of paint, mould, carbon, grease and rust.
- When adjusted correctly, is particularly useful in areas where less aggressive cleaning is required,
- Safe to use for applying Soda media around windows (without etching the glass) and even for stripping paint from wooden furniture.
- After blasting, the metal surfaces will inhibit rust for up to six weeks.
- Adjustable nozzle allows control from narrow to wider stream.
