Specifications

PW2012RB Rechargeable Pressure Washer 25 Litres 12v

Please note that this is a service exchange item - some items may not have the original packing and may be shop soiled and / or have some cosmetic damage including dents or scratches.

Features:

- Rechargeable, lightweight, portable pressure washer which can hold up to 25L of water.
- Ideal for many washing applications, especially where a mains power or water supply is not available, such as car shows, track days, window cleaning or even garden use.
- Features "Automatic Total Stop System" (TSS) which switches the motor on and off when the trigger is operated, prolonging motor life.

- Inside is a removable storage tray to accommodate all the accessories.
- Supplied with 8m hose, variable nozzle lance, detergent bottle and a long fixed brush.
- Detergent can also be added to the main tank which will allow a very good distribution of foam, making washing the car extremely simple and effective.
- Fitted with four wheels, which makes the unit easy to transport.
- Features a strong carry handle.
- Supplied with mains charger and 12V in car charger.
