Specifications

ROU64768 Roughneck Fencing Maul 6.35kg

This Roughneck Fencing Maul is ideal for driving home wooden fencing posts.

The large round striking face makes it much easier and safer than using a sledgehammer.

Cast head with double round striking faces. Solid core fibreglass handle with polypropylene jacket for shock absorbance.

Double injected TPR soft-grip handle for added comfort fixed with industrial grade epoxy for longer lasting bond.

1 x Roughneck Fencing Maul 6.35kg (14lb)
