

ROU65622 Roughneck Mini Sledge Hammer 16in 1.4kg

Part No: ROU65622

Price: £25.24 (exc VAT) | £30.29 (inc VAT)

Specifications

ROU65622 Roughneck Mini Sledge Hammer 16in 1.4kg

Roughneck Mini Sledge Hammers with fibreglass handles are manufactured from drop forged alloy steel

hardened and tempered, with 8-sided 45 degree chamfered precision milled faces.

With an industrial grade epoxy for a longer lasting bond, solid core fibreglass handle with polypropylene cover

and double injected TPR soft grip handle with integral overstrike protection.

They have shorter fibreglass handles than the traditional Sledge Hammers,

which make them ideal for use in places where a large swing cannot be taken or using a full length

sledge hammer is not practical.

They can easily be carried in tool boxes and tool bags.

Handle Length: 16in

Weight: 1.4kg (3lb)
