

ROU65660 Roughneck Splitting Maul Fibreglass 2.7kg head

Part No: ROU65660

Price: £54.47 (exc VAT) | £65.36 (inc VAT)

Specifications

ROU65660 Roughneck Splitting Maul Fibreglass 2.7kg head

Great for splitting logs, the weight of the head helps split long wood grain lines where an ordinary axe lacks the weight.

With a flat striking area on the rear of the head allowing the blow from a hammer to help with the splitting process should the maul become stuck.
