Part No: ROU65662

Price: £49.95 (exc VAT) | £59.94 (inc VAT)

Specifications

ROU65662 Roughneck Splitting Maul Fibreglass Handle 3.6kg

Great for splitting logs, the weight of the head helps split long wood grain lines where an ordinary axe lacks the weight.

With a flat striking area on the rear of the head allowing the blow from a hammer to help with the splitting process should the maul become stuck.
