

ROU68046 Sharp Edge Round Shovel 1070mm

Part No: ROU68046

Price: £15.95 (exc VAT) | £19.14 (inc VAT)

Specifications

ROU68046 Sharp Edge Round Shovel 1070mm

This Roughneck® Round Shovel has a sharp serrated edge.

This is ideal for digging in compacted ground, slicing through roots and opening bulk bags or bags of cement.

Built to last, it is manufactured from heavy-duty, carbon steel with a corrosion-resistant, tumble lacquered finish.

With a tubular fibreglass shaft for reduced overall weight and fitted with a soft grip, D-shaped handle for comfort in use.

Treads on the blade allow for increased pressure to be applied with reduced risk of slippage.

The Power Ring socket, steel-reinforced plug, provides a stronger blade to handle connection.

Specification:

Blade Width: 225mm

Overall Length: 1070mm (42in)
