### Specifications

ROU68307 Sharp-Edge Dutch Hoe

Built to last, the Roughneck® Sharp-Edge Dutch Hoe is manufactured from heavy-duty, carbon steel with a corrosion resistant tumble lacquer finish.

Fitted to a tough and durable fibreglass handle, that won't perish or rot through moisture ingress.

The sharpened front blade makes light work of cutting through roots and breaking down compacted soil.

The serrated back blade allows for effective back weeding.

There are also sharp serrated side blades that are ideal for rasping through thicker weed stems.
